SCOPE OF THE JOURNAL

The *Journal of Communication Disorders* publishes original articles on problems related to the various disorders of communication broadly defined. The Journal's interests include the normal communicative processes related to disorders of communication, as well as anatomical and physiological, psychopathological, psychodynamic, diagnostic and therapeutic aspects of communication disorders. Experimental reports, case studies, theoretical papers, book reviews and notes are also considered.

EDITOR

R. W. Rieber, John Jay College, 444 West 56th Street, New York, NY 10019
Editorial Assistants: Olivia Majette and Joyce McKinney

ASSOCIATE EDITORS

R. S. Brubaker, Pennsylvania State University, University Park, PA
Leo van Gelder, University of Amsterdam, Amsterdam, The Netherlands
